

# Milly

## Chapter 1 by xxtallstarxx

Now I will tell the story of an owl that changed the world. Her. Name. Is. MILLY. Now this might not sound real but Milly can talk, fight, you name it. She can do anything.

## Chapter 2 by Alice Marie Bride

### \*She can do anything\*

Milly, a small but brave owl, would strut around in the treetops, on the ground, and even in the air. The local animals were unsure how to handle the spunky little bird. She stole a snake's mouse, plucked a whisker off of a puma, and jipped a bear's fish all in one day!

Milly was renowned in the forest, but there was one hawk who was plainly annoyed by her. The "wood goblin" Sirius- an old red tail hawk- grew more and more aggravated by the day from the tales of "Milly's bravery."
